1.0 Introduction

The objects and powers of CPP Investments are outlined in the **CPPIB Act**. The **CPPIB Act** outlines certain responsibilities for the Board. The Board Mandate clarifies the Board's responsibilities.

The **CPPIB Act** requires that the Board create an audit committee to fulfill certain responsibilities. The Board has established the Audit Committee in accordance with the requirements of the **CPPIB Act**.

This mandate is designed to articulate and clarify the responsibilities of the Audit Committee.

The Audit Committee fulfills an oversight role in connection with the Head of Assurance and Advisory, the external auditor, and the special examiner, each of whom reports directly to the Audit Committee. The Audit Committee also fulfills an oversight role in ensuring the quality and integrity of the financial statements.

2.0 Purpose

The purpose of the Audit Committee is to meet the requirements of the **CPPIB Act** and thereby assist the Board in fulfilling its obligations by receiving reports and approving or making recommendations to the Board on matters including:

The Audit Committee shall be composed of not fewer than three Directors.

The Committee Chair and members are appointed and/or re-appointed by the Board, on the recommendation of the Chairperson after consultation with the Governance Committee.

All members of the Audit Committee shall meet the standard of financial literacy, which entails the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by CPP Investments' financial statements. The Chair of the Audit Committee shall have accounting or related financial management expertise. Accounting or related financial management expertise may have been gained from past employment experience in finance or accounting, professional certification in accounting, or any comparable experience or background that results in the member's financial sophistication, including having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibilities.

3.2 REMOVAL OR REPLACEMENT

An Audit Committee member may be removed or replaced at any time by the Board. Audit Committee membership will cease when an individual ceases to be a Director or at the time of their resignation from the committee.

3.3 DELEGATION TO MEMBERS AND SUB-COMMITTEES

The Audit Committee may delegate matters under its jurisdiction to a subcommittee or individual committee member. All work performed by such subcommittee and/or individual committee member must be reported at each committee meeting.

4.0 Committee Meetings

Video or teleconference meetings may also be held at the discretion of the Committee Chair, provided the relevant electronic, telephonic or other communication facilities permit all persons participating in the meeting to communicate adequately with each other.

4.6 ATTENDANCE BY MANAGEMENT

The President & CEO will be invited to attend all Audit Committee meetings, recognizing that from time to time the Committee Chair may request a meeting without Management present.

Other members of Management may also be invited to attend Audit Committee meetings to provide information and opinions to assist the Directors in their deliberations.

4.7 ATTENDANCE BY EXTERNAL AUDITOR AND HEAD OF ASSURANCE AND ADVISORY
